

Junction 1827 Vintage Collectors Flea Market

Vendor Application

Redbone Willy's is excited to host our first **Junction 1827 Vintage Collectors Flea Market**, with plans to continue on select Saturdays through 2026. We are inspired by a passion to share our family's bicentennial farm, along with our desire to connect local artisans and collectors. Much like our Gypsy Farm Fair, this is a **curated market event**. Vendors are selected based on variety, originality, and quality of goods, particularly those that align with the boutique and general store items carried at Redbone Willy's. Booth availability and placement are **first come - first served basis**. Our goal is to host approximately **40 vendors** per event.

We are currently accepting applications from vendors specializing in vintage furniture, clothing, antiques, collectibles, jewelry, art, woodworking, heirloom treasures, metalwork, leather goods, salvage items, and farmer's market products created or sourced by local artisans. Food vendors, gardeners, musicians, and artists are also invited to showcase their talents.

Please attach **three to six high-quality photos** that best represent your business, including images that demonstrate how your booth would be set up at the event. Vendor applications **will not be considered** without photos or links to online photos submitted at the time of application. Photos should clearly showcase your merchandise and display style. Close attention to detail is strongly encouraged.

We look forward to partnering with you to bring a unique vintage market experience to our community! If you believe your business or trade would be a good fit, please complete the application on the following pages **30 days before the event**.

Please do no apply if selling: artistic reproductions, yard sale wares, electronics, business services, wholesale purchased goods.

Applications may be returned to **Glenda or Maggie** via email at **gypsyfarmfair@gmail.com**, or by mail to:
